PROFESSIONAL EXPERIENCE

Quality Control Intern | JAK Industries | Apparel Production | *Feb 2016 - Jul 2016*

- Supported quality control activities within an apparel production environment, inspecting garments during different stages of manufacturing.
- Checked finished and in-process garments for workmanship, construction, stitching, measurements, and visible defects.
- Assisted with garment measurement and verification against required specifications and quality standards.
- Identified and documented production defects and inconsistencies for review and correction.
- Developed practical understanding of garment construction, sewing operations, production flow, finishing, and apparel quality requirements.
- Worked with production and quality teams and maintained organized inspection and production documentation.

Fashion Consultant | Scotch & Soda | Chennai, India | *Aug 2019 - May 2020*

- Advised customers on apparel selection, fit, styling, fabrication, and garment characteristics based on individual needs and preferences.
- Developed strong working knowledge of garment fits, silhouettes, fabrics, construction details, sizing, and seasonal collections.
- Maintained high standards of product presentation and visual merchandising while supporting inventory organization and replenishment.
- Recognized as Employee of the Month three times for performance and customer service.

Freelance Fashion Illustrator & Brand Designer | Self-Employed | Remote | *May 2020 - Present*

- Create fashion illustrations, apparel concepts, visual identities, and branded collateral for fashion, lifestyle, and consumer-focused clients.
- Translate client concepts and visual references into original fashion illustrations and cohesive visual directions.
- Conduct visual, market, and trend research to develop moodboards, color directions, typography, and brand concepts.
- Prepare organized design files and production-ready artwork using Adobe Illustrator, Photoshop, and InDesign.
- Manage projects independently from client discussions and concept development through revisions and final delivery.

SELECTED FASHION PROJECTS

Aura | Luxury Fashion Brand & Illustration Project |

- Developed the visual identity and creative direction for a luxury fashion concept, including original fashion illustrations exploring silhouettes, styling, and color.
- Designed a cohesive lookbook combining fashion illustration, typography, editorial layout, and brand storytelling.

Madras Merch | Apparel Graphic Design |

- Researched Chennai culture and visual references and designed 8 original graphics for apparel and lifestyle merchandise.
- Prepared artwork for different product formats; the collection generated 850+ sales.
